SUMMARY

- Experienced Software Developer with 4 years of hands-on experience in Java, Spring Boot, React and RESTful APIs.
- Proficient in integrating responsive designs using React, JavaScript and CSS ensuring seamless frontend and backend interaction.
- Skilled in optimizing backend performance through efficient database management and caching strategies.
- Proven ability to improve system efficiency, reduce load times, and enhance user experience in web applications.

EDUCATION

University of North Texas

Denton, TX

Masters in Advanced Data Analytics - GPA: 4.0

Aug 2022 - May 2024

Courses: Application and Deployment of Data Analytics, Software Engineering, DSA & Capstone

JB Institute of Engineering and Technology

Hyderabad, IND

Bachelor of Technology - GPA: 7.5

Jul 2018 - Jul 2022

PROFESSIONAL EXPERIENCE

Peet's Coffee

Emeryville, CA

Java Developer

Oct 2023 – Present

- Configured pagination and infinite scroll on the catalog using Java and Spring boot, reducing load time for 200+ products.
- Built responsive product pages with React and CSS media queries for optimal display on all devices, enhancing user experience.
- Implemented a keyword-based search feature, allowing users to find products within 2 seconds, resulting in 500+ daily searches.
- Assisted in adding product review section for user comments and ratings, generating an average of 50 new reviews daily.
- Designed normalized schemas in MySQL and MongoDB, improving data retrieval speed by 25% and ensuring scalability.

Shiseido

Rutherford, NJ

Java Developer

Jan 2023 - Aug 2023

- Designed and built a single-page checkout with Spring Boot, praised by 5K+ users, driving 150+ monthly transactions.
- Integrated React and JavaScript with REST APIs, improving page load times by 3 seconds and enhancing user experience.
- Contributed to API development with Spring Boot, reducing data processing time by 20 seconds and improving site speed.
- Implemented personalization features using Java, driving a 1,000+ increase in email open rates through tailored notifications.
- Utilized Git for version control, boosting team collaboration, reducing integration time by 30%, and decreasing bugs by 20%.

Locus Elite

Hyderabad, India

Software Developer

Sep 2020 - Jul 2022

- Developed core Java-based customer service apps with ticketing and live chat, enhancing service delivery by 32% for 250+ users.
- Optimized REST APIs, reducing load time from 5 to 3 seconds, boosting user experience and application performance by 40%.
- Refined SQL procedures with indexing in MySQL, cutting query execution time by 30% and enhancing database performance.
- Created interactive and user-friendly web UI using React, JavaScript, HTML5, and CSS3, increasing user engagement by 22%.
- Collaborated in coding sessions and peer reviews to improve code quality and adhere to Agile and SDLC best practices.

LEADERSHIP EXPERIENCE

Training Program Volunteer for International Student Association (ISA) - UNT

Nov 2022 - Jan 2023

- Organized orientation sessions for 50+ new international students, enhancing their transition experience.
- Assisted in planning cultural events, boosting participation by 30% and fostering community engagement.

Student Activities Council (SAC) Representative - JBIET

Mar 2019- Nov 2019

- Coordinated student events, seminars, increasing turnout by 25% through targeted promotions and outreach.
- Managed logistics for workshops and seminars, ensuring smooth execution and positive feedback from attendees.

SKILLS & INTERESTS

- **Programming Languages:** Java, C/C++, Python, HTML5, CSS3, JavaScript, SQL.
- **Technologies & Frameworks:** React, Bootstrap, Spring, Spring Boot, Spring web, Spring JPA, Node.js, JSON, REST.
- **Database & Cloud:** Oracle, MongoDB, MySQL, Amazon Web Services, Microsoft Azure.
- **Developer Tools:** Git, GitHub, Eclipse, Visual Studio, VS Code, Maven, Postman, CI/CD, Agile SDLC.
- **Certifications:**
 - Oracle Certified Professional, Java SE 11 Developer(1Z0-819)
 - AWS Certified Developer – Associate (DVA-C02)
 - Microsoft Certified: Azure Fundamentals (AZ-900)
